

THE RITZ - CARLTON

MILLENNIA SINGAPORE

POOL EVENTS

The Ritz-Carlton, Millenia Singapore is the first luxury hotel in Singapore to offer the flexibility of holding events over water through partially, or completely covering the outdoor pool, adding up to 15,000 square feet of events space – providing a novel venue for hosting a memorable outdoor pool party.

Surrounded by lush greenery, the outdoor swimming pool on Level One boasts a three-tiered timber pool deck flanked by sun loungers, private cabanas, a pool bar and an outdoor grill. This versatile lifestyle and events arena can be booked for exclusive use.

Features:

- Made of Plexiglas, also known as acrylic glass, the transparent Plexiglas table-tops can support weights of up to 500 kilograms per cube.
- Cubes can be customised to take on various shapes; from a rectangle, to a square or even a T-shape to suit a variety of event set ups.
- Outdoor atmosphere can be accentuated with the possibility of video projection mapping, LED lighting in the foliage and trees, as well as underwater lighting to supplement the pool's floodlights. Corporate branding can be projected onto the building facade through the use of gobos.
- A side entrance accessible via Raffles Avenue facilities drop off or valet parking, and provides direct vehicle access to the pool stage.

CAR/PRODUCT LAUNCHES

Make a grand arrival via the pool entrance along Raffles Avenue by literally driving the latest super car onto the rectangular pool platform right in front of your guests.

Capacity: 800 persons (Standing)

DINNER/COCKTAIL EVENTS

Thrill your guests with a unique gastronomic overwater dining experience.

Capacity: 300 persons (Seated)
1,000 persons (Standing)

RUNWAY

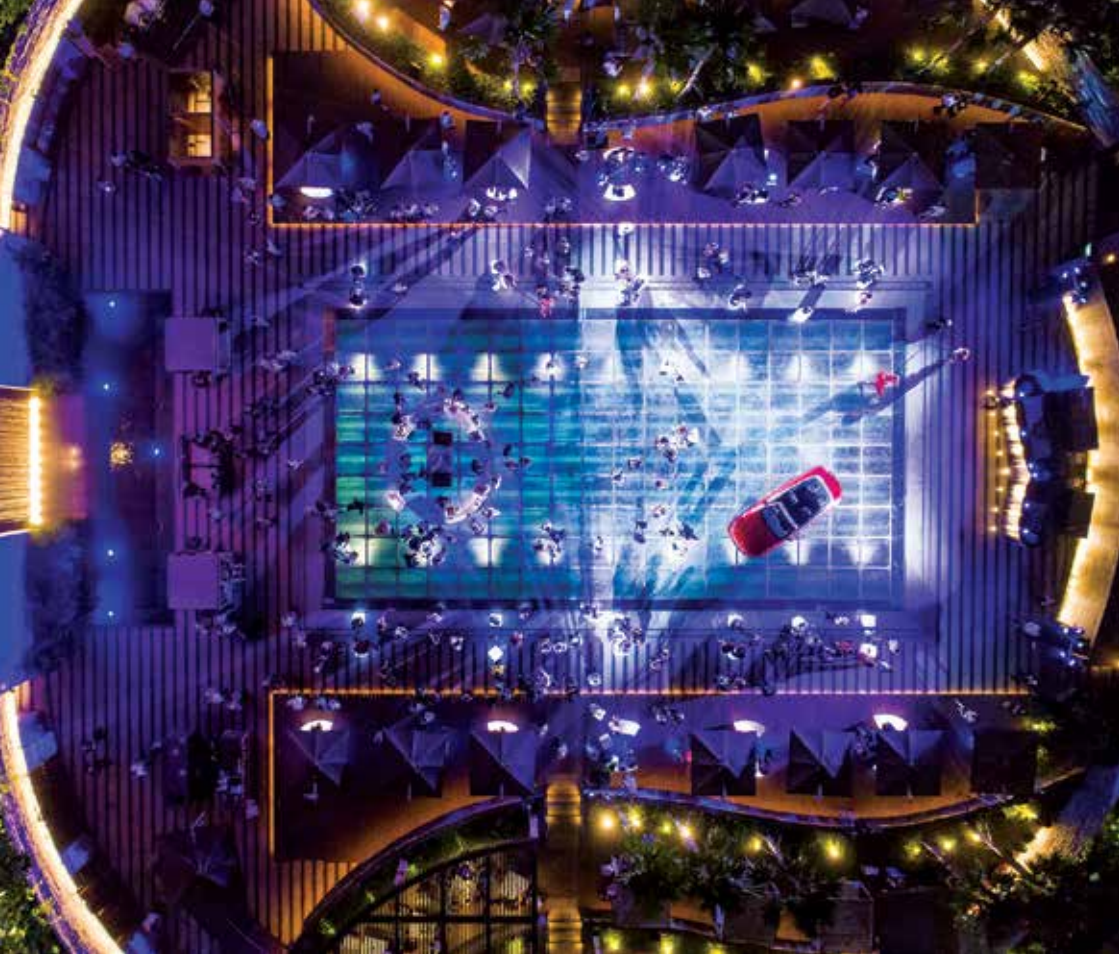

Make strides in the fashion scene with a unique outdoor runway showcase held over the pool.

Capacity: 800 persons (Standing)

WEDDINGS

Say "I do" on an aisle built over water. This unique wedding venue allows couples to personalise the space with floral arches, candles, billowing fabrics or even custom build a wedding chapel or pavilion.

Capacity: 300 persons (Seated)

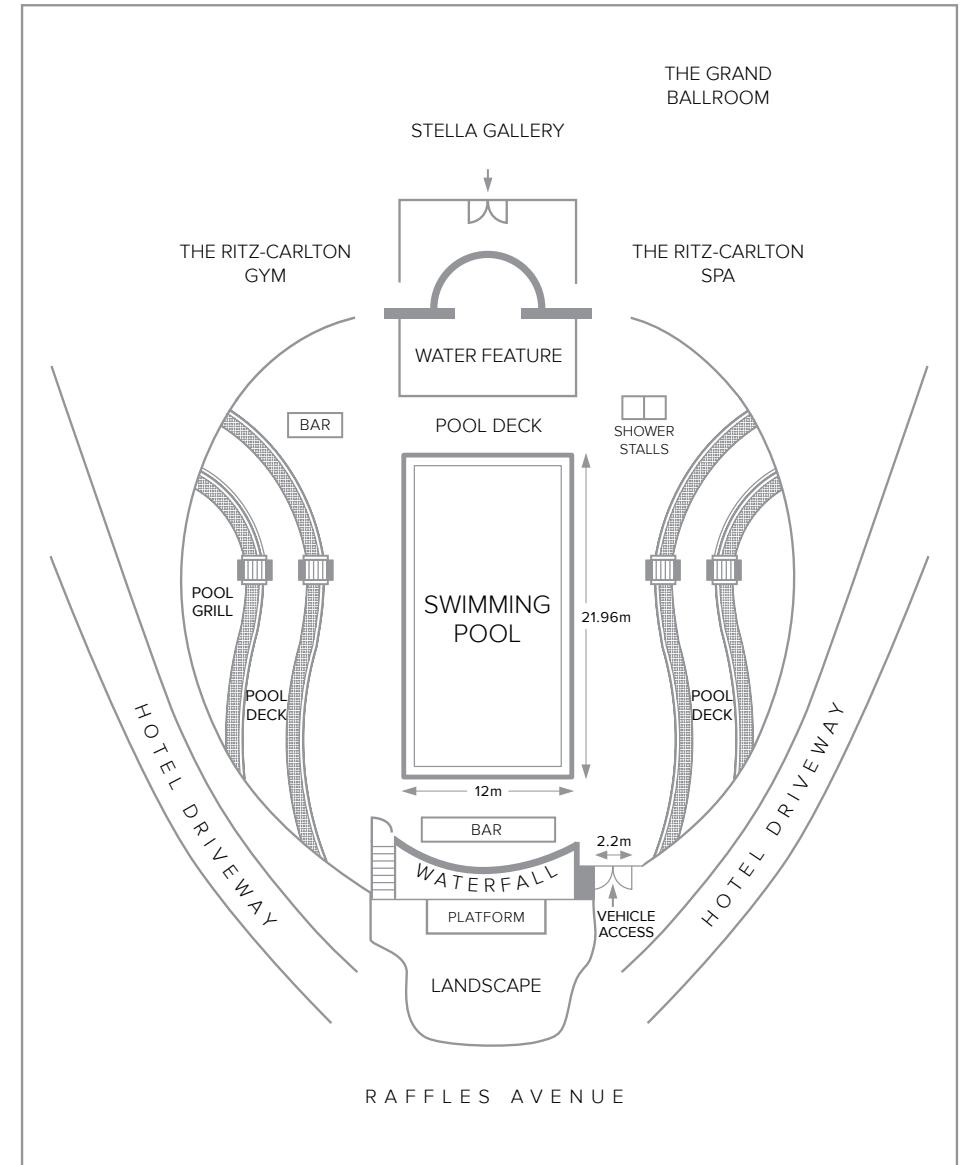

LIFESTYLE PARTIES

For the ultimate outdoor revelry, transform the swimming pool into an exciting club venue by building a dance floor to fit perfectly on top of it. An elevated DJ console can be constructed above the platform for a modern outdoor party experience.

Capacity: 800 persons (Standing)
