

MEETING EXPERIENCES

HILTON DIAGONAL MAR BARCELONA

Dear Guests,

At the Hilton Barcelona Diagonal Mar we offer 3 unique meetings packages depending on your group size.

For smaller groups of up to 10 we can arrange an airport shuttle, specially designed food and beverage experiences and some personalised add-ons such as a mini-bar or welcome tray.

For groups of up to 25 we offer inspirational and creative workspaces, flexible cancellation terms and all-inclusive pricing.

Arranging meetings for larger groups of 25 or more is where we have gained a reputation for excellence through inspiring events and a personalised service from our professional meeting concierge.

Why not book a “quiet room” for your attendees, where they can take the time to relax, mediate and re-charge for the next sessions or one of our “experience coffee breaks”, like for example the “Fun Lunch” where your delegates can challenge each other during a table-tennis game, a mini-golf competition and some slam dunks like a professional basketball player.

More information about the different experiences we offer can be found in our [Experience Guide](#).

Please have a read-through our different Meeting Experiences we offer based on your group size and contact us in case you have any questions.
