GRITTI ROOM

The Gritti room is in the oldest part of the building, where the acoustics are guaranteed by thick stone walls and mosaic floors and high ceilings create a particularly atmospheric setting. The Gritti room enjoys natural light and has direct access to the hotel foyer; it has recently been completely redecorated with rich drapes and empire-style lights, creating a particularly comfortable and cool setting for small business meetings. The Gritti room is equipped with a screen for projections, WI-FI connection, air-conditioning and telephone sockets.
