HOTEL SERVICES

NH Fiera has 398 comfortable rooms. They are wide and extremely bright thanks to the patchy windows projected by the ingenious Dominique Perrault, and each room is equipped with Wi-Fi connection and LCD TV. The upper floor of the two tall buildings offer a suggestive view over Milan skyline. The hotel has two restaurants, one buffet, for breakfast and quick meals, and one à la carte, "nhube". This last one offers our guests a wide menu that includes both Italian specialties and international cuisine, a place where taste and high quality food combine with chic and designer feel.

Our guests have also access to the panoramic and well-equipped gym located on the 15th floor.

FUNCTION ROOMS

NH Fiera boasts its own congress centre, consisting in 16 versatile meeting rooms, each with natural daylight and provided with amplification systems, Wi-Fi, screen, flipchart, overhead projector and business corner. Thanks to the flexibility of the spaces, the function rooms are customizable to any kind of meeting, be it a conference, a gala dinner or a business meeting.
