

IL BORGO

IL BORGO

Huddled on a hilltop, overlooking the patchwork fields that stretch out in the direction of Montalcino, the Borgo forms the heart of the resort.

With the buildings restored to their former glory, today it hosts the 23 suites and 3 of the 11 Villas, the cooking school, the hand curated shop, the kitchen garden, the rustic Osteria La Canonica and the understated Ristorante Campo del Drago.

Simultaneously, an air of serenity is evoked by the the Spa at Rosewood Castiglion del Bosco, the infinity pool and a fitness center.
