

# WELCOME!

Salzburg undoubtedly belongs to the world's most popular destinations. A charming, historic city, it is surrounded by diverse, beautiful nature that invites you to linger. Arts, music and culture dwell in harmony with the everyday life of Salzburg's citizens, inspiring numerous colourful activities. Dining here is pure pleasure, be it regional or international cuisine. And everywhere you look, the traditional meets the modern – smart-looking lads and lasses in traditional costumes are as much of a part of the city scene as those in modern business attire. This interaction of nature, history, art and culture all work together towards the same goal: we want to be the best of hosts!

But Salzburg's role as an international economic centre and MICE venue keeps growing, too. Our guests, attendees of both national and international conferences and seminars, love Salzburg's central location, well-developed infrastructure, and its reputation of a "city of short distances".

And this is precisely where Wyndham Grand Salzburg Conference Centre comes in: Located in the vicinity of Salzburg's main railway station, the airport, the Exhibition Centre, and even the old town, our hotel boasts its own parking garage with 450 spaces, 262 modern rooms of various categories, a wellness area with an indoor pool, and 16 multifunctional conference rooms with high-end technology—to name just a few of the amenities on offer.

To present the full scope of our services, we have prepared this brochure. We hope you will enjoy browsing and reading through it—and, perhaps, even start pondering the idea of holding your next event at our Wyndham Grand Salzburg Conference Centre.

A passionate and dedicated team, looking forward to your visit with joyful anticipation, stands behind this printed material. Our know-how is drawn from many years of experience and our central focus is to take care of you and your event by providing highly reliable and professional services. As already mentioned, we wish is to be the best of hosts!

Wishing you an enjoyable read,

Tamino

BarRoque

Speisesaal

## BARROQUE

Our hotel offer its guests not only conference rooms with high-end technology and rooms with modern design but also exclusive, top-quality culinary delights!

Our Chef Josef Eckmann uses local produce in modern ways, meat from species-appropriate animal farming, as well as careful processing. The menu of the hotel bar “BarRoque” is also presented in a refreshingly different way, including club-sandwiches or thin slices of Asian-style beef filet – but even the traditional Wiener schnitzel has a place on the menu. The bar’s comfortable and stylish atmosphere invites you for a quick lunch, a slow dinner or late-night glass of fine wine.

## TAMINO AND DINING ROOM

A rich breakfast buffet is an absolute MUST for all gourmets visiting our newly-renovated restaurant “Tamino”. Special events like the Mothers’ Day brunch or Valentine’s Day dinner have been planned, too. The restaurant is also available for private celebrations: weddings, birthdays, and family or Christmas celebrations, of course. The restaurant – currently offering 135 seats – is dominated by a glass-covered black-and-white photograph of Salzburg’s Old City which, at 5 by 3 meters, takes up almost an entire wall. Business guests and companies may additionally take advantage of a visually separated breakfast area. The dining hall offers room for 199 persons and is ideal for large groups and conference guests.

Room service is available to you 24 hours a day for a surcharge of 10 €.

In the Berchtesgaden salt mine, young and old alike can learn everything there is to know about salt mining during an approximately one-hour tour. But you will also enjoy the Kehlsteinhaus (the Eagle's Nest) with its spectacular panoramic view or a ride along the Rossfeld Panoramastraße at any time of the year.

## HELLBRUNN

### Nature's gift

Just 20 minutes away by bike from Salzburg's city centre, the 60-acre-large, glorious gardens of the Hellbrunn Palace invite you to relax, take a deep breath and a lovely stroll, enjoy and be astonished. Partly artificially created parkland, partly natural biotope, meadows, ponds and hills and partly – a children's paradise. The name Hellbrunn means a "healing well" – anyone who comes here will understand why.

The famous Hellbrunn trick fountains are a real spectacle, enjoyed today just as much as 400 years ago: mysterious grottos, water-powered figures and hidden water jets – you never know what comes in the next moment with these trick fountains. Just one thing is clear: You are going to get wet. For animal lovers, there is a ZOO in the immediate vicinity, a home to 140 exotic as well as domestic species – from the alpine ibex to the banded mongoose.
