Art themes inspired by Federico Fellini's *8½* and especially created for the venue decor, add a touch of surreal and nostalgia to an ambiance where dreams meet reality.

The black marble floor, the darkwood paneling and Art Deco furniture, grasp your attention, preparing you for a true cinematic experience.

“Accept me as I am.  
Only then can we discover each other.”

*Guido in Federico Fellini's 8½*

The large windows all around offer an unobstructed view of the lively city that never sleeps, but without taking anything away from the privacy of the place.

The lighting, cinematic and atmospheric, adds to the unique style of the venue.

## A feast of Flavors, Colors & Aromas

The style of the restaurant is also reflected on its culinary identity.

The dishes, perfect down to the last detail, take you on an amazing journey to traditional flavors and memories, albeit in a modern and creative manner. The menu goes beyond typical fine dining, elevating traditional flavors with creative, surreal twists, completely in tune with the JuJu Bar & Restaurant concept.

The dishes, whether served as interesting tidbits to accompany your drinks in the modern setting of the bar or as courses at the restaurant, will satisfy all tastes.

“Experience is  
what you get  
while looking for  
something else.”

The cinematic setting  
at the wooden bar is just as  
abundant, serving signature  
surreal cocktails inspired  
by the cast of *8½*.

The leading role is played by  
the intoxicating Guido, ready to  
captivate you with its aromas and  
ingredients, while the exotic Carla  
will transport you to a bygone era.

Combine these unique cocktails  
with modern flavors served  
at the atmospheric wooden bar,  
which will become your  
meeting point after work.

The image shows a dimly lit restaurant interior. A large window in the background looks out onto a lush green landscape. The room is furnished with a long, dark blue sofa along the window, and several round tables with light-colored upholstered chairs. The floor is highly reflective, mirroring the furniture and the view outside. The overall atmosphere is sophisticated and elegant.
