It is with great joy that we return as a family to Italy, where we have already spent many happy years. A return to our origins in the heart of the Pavia countryside, and the rice fields of this typical Lombardy farmhouse. We look forward to sharing an enjoyable moment with you, to be cherished forever.

Ivano

The “theme of the House: from the field to the plate” can be found in the terrain and agricultural tradition of the Farmhouse, and fully defines the atmosphere that will surround you. The Risotto here is very much home-grown, and it takes centre-stage accompanied by typical organic products from our nearby farm - eggs, honey, rice, beef, salami, white and red wine, sparkling wine...
