Schloss Löwenstein

“ Our favourite feature: the majestic ‘marble hall’, to surprise your guests at your gala dinners. ”

Schloss Löwenstein is located in the heart of the romantic region of Franconia, where vineyards blend harmoniously with picturesque landscapes. It was Rémy de la Fosse, the architect for the Château de Versailles, who built it in true French style in the 18th century. Friendly exchanges await at this traditional family home, where the meeting rooms are all equipped with the latest technological innovations. For relaxation, visiting the cellars in the park is a must... followed by wine-tasting course of Löwenstein's own wines...
