art, architecture and one hell of a view

welcome to nhow Rotterdam. A design & lifestyle hotel where urban art and architecture become one. The hotel is located in the iconic building De Rotterdam, built by renowned architect Rem Koolhaas, located in an area known as 'Manhattan on the river Maas' and provides guests with unparalleled views and a sense of being at the heart of the city. The hotel embraces the unique identity and spirit of Rotterdam, by celebrating the city's art, architecture, and culture, nhow Rotterdam becomes more than just a place to stay, it becomes a place to truly connect with the essence of the city.

You won't want to close the curtains with a view like this. Be free, get creative, meet, relax and stay at nhow. Choose between four different room categories and don't just visit the city but become part of it with its unique skyline view.
