

WE HOPE YOU LOVE IT AT SCANDIC!

Scandic is the unrivalled market leader in the Nordics with nearly 280 hotels. Every day, our 14,000 team members work with one single goal in mind, to make our guests welcome to stay with us or meet with friends or for work. As the Nordic region's most sustainable hotel chain we're always focused on the environment, social responsibility and accessibility.

We are specialist in meeting and conferences and together with our trained team members and have developed a meeting concept that will allow your meetings to be inspirational and professional yet fill you with energy. Alongside our focus on commitment and results, sustainability is a key feature of your meetings with us – from eco-labelled meeting materials and Scandic's own filtered water to our environmental work where we care for the community.

ALWAYS AT SCANDIC

Breakfast

Our renowned breakfast buffet uses organic produce and includes more than 100 delicious things to eat – take your pick from everything from free range eggs to fresh fruit salad.

WiFi and entertainment

We provide free WiFi in all our rooms and public spaces and logging in couldn't be easier.

Restaurant, bar and shop

Try the Scandic Classics on our menu. If you'd just fancy a snack, our mini-shop, managed by the reception, is open all hours!

Gym

At every Scandic hotel you'll find a modern gym, and if you're staying at the hotel, it's absolutely free.

Meetings

It doesn't matter whether there are 11 of you or 1,800, or whether you're here for a quick meeting in the lobby or a complex congress. We've got over 1,900 meeting rooms in a wide range of locations, all just one phone call away.

Sustainability

We started working for a healthier planet back in 1993, when hardly anyone had heard of the word "sustainability". We looked at everything from clean energy to organic breakfasts and donating left-over food. The Nordic Ecolabel shows that we are on the right track.

Accessibility

To us it goes without saying that our hotels should be accessible to everyone whether you've broken your leg, have a hearing impairment or need to wheel your way to your room.

Looking forward to welcoming you to our hotels!
