"Sem Porta". The hotels' main restaurant finds its inspiration in the local rice storing facilities. Here, a seasonal cuisine of communion and respect for nature is practiced. Our Chef uses regional products, and works with local fishermen and wineries to reinvent typical Portuguese and Alentejo dishes.

Tasca da Comporta. With nature as a backdrop here you can expect a relaxed atmosphere and taste several different flavours in one meal. Tasca da Comporta caters sophisticated traditional Portuguese “petiscos” such as octopus salad, fire grill black pork chorizo and many more. The best way to experience the region’s various flavours and specialties in a chilled and friendly atmosphere.

Food Circle. In the middle of the organic garden one finds Sublime Comporta's outdoor "farm-to-table" restaurant. With a menu based on sustainable production and with fire playing a leading role in the cooking process, people can enjoy an unforgettable experience in direct contact with the chefs and the earth, dining under the stars and surrounded by the aromas of the garden. This dynamic space has room for 12 people seated around the counter.
