ALEXANDRA HAS A FAMILY CHARACTER. NATIVE, PASSIONATE, LINKED TO ARCHITECTURE AND ALWAYS INNOVATIVE.

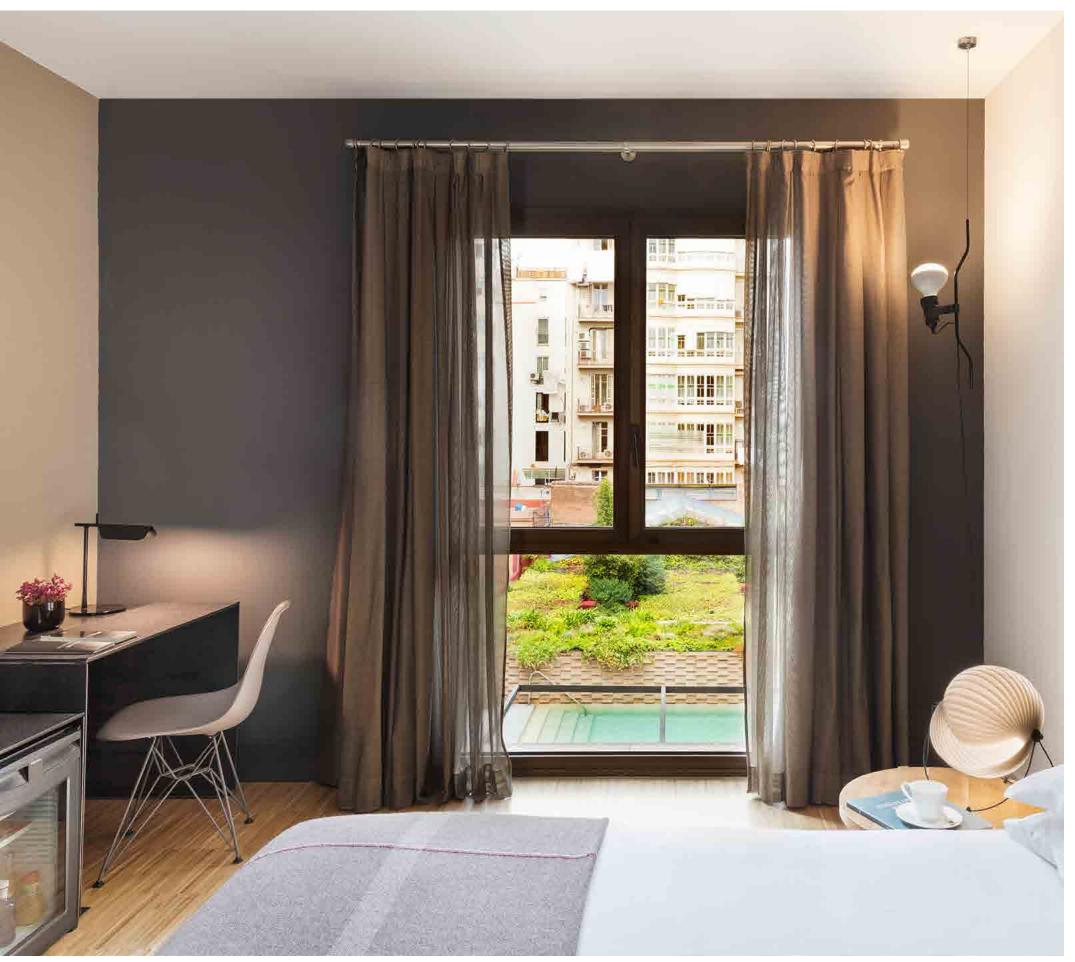

The modernist and also local design and concept are the hallmark of the house.

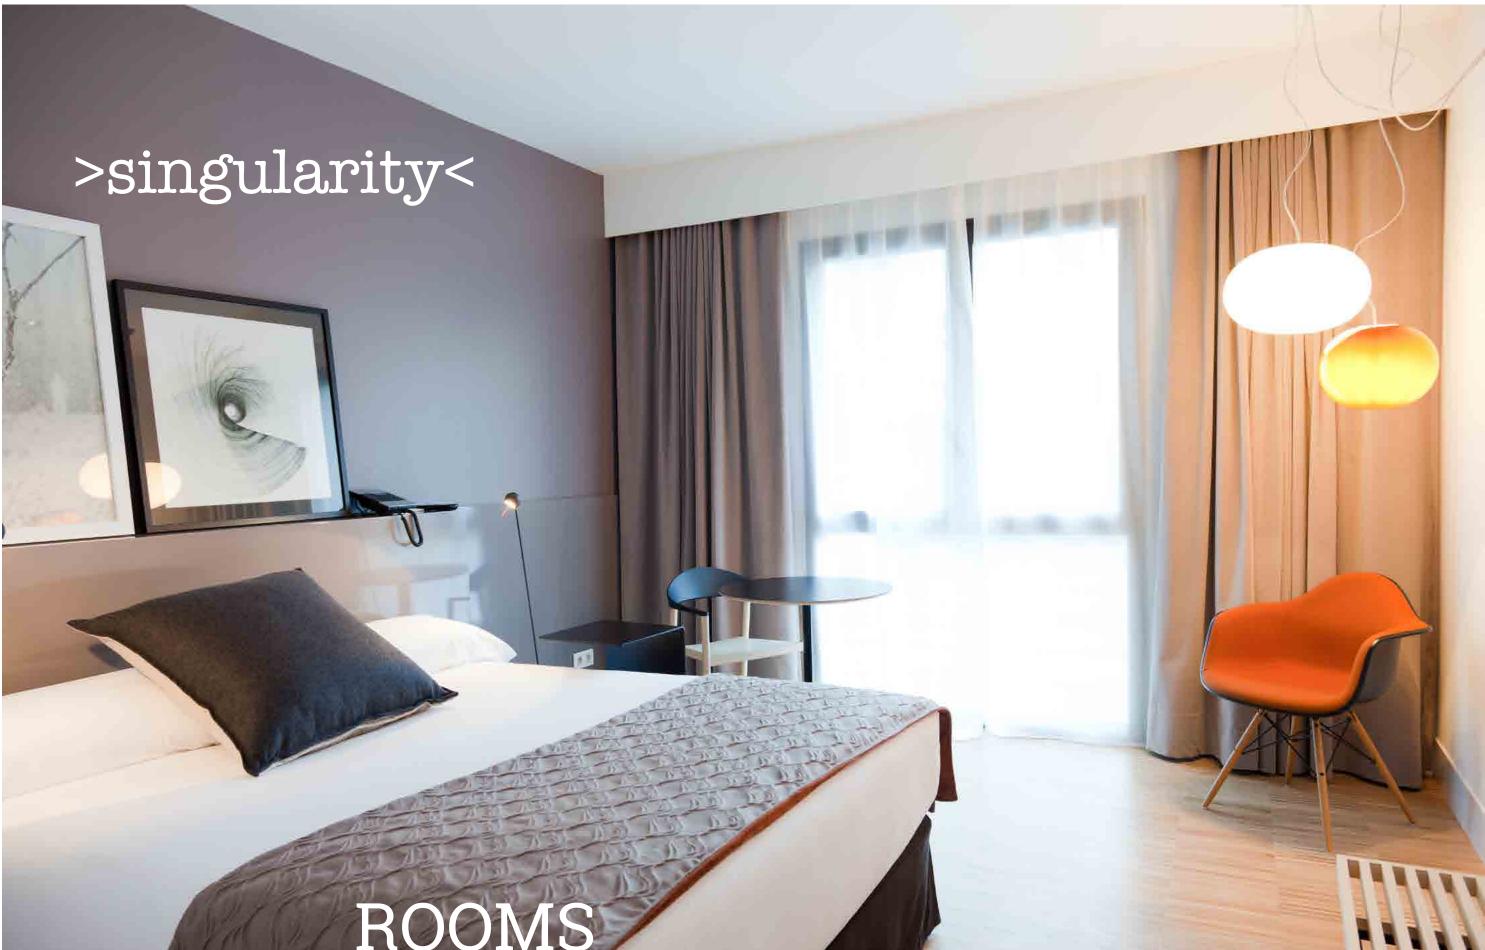

The hotel portrays the Catalan culture, shows its custom, its history, its wealth.

Alexandra is living Barcelona through the eyes of her people.

Alexandra is an alive place. It changes, it breathes. A hotel, of unique objects and real stories. Its space is unique, it mixes things and experiences.

Alexandra is us. The way we live in the neighborhood. The way we feel around us.
