DANANG RESORT & SPA

DESTINATION

Whatever the agenda of your holiday, Danang is a prime location for all types of visitors. Beachcomers will delight in the myriad of opportunities to make a splash - with unspoiled shores, hidden bays along Danang's beaches, that were voted among the most luxurious beaches on the planet by Forbes Magazine. Gastronomes, prepare to whet your appetite. The cuisines of the centre are a creole of culture, influenced by centuries of Chinese, French and Japanese influence. Just minutes from the heritage town of Hoi An and a few hours to the former capital of Hue, those with a penchant for history will not be disappointed. Moreover, My Son, home to the remaining palatial constructs of the Champa Kings, lies just outside of Danang. Naturists will also be enchanted by the forested areas of Bach Ma and Son Tra Peninsula, and other beautiful sights abound.
