

A BOUTIQUE HOTEL IN THE HEART OF BARCELONA

CONTEMPORARY, SMART, COZY

Not just in Barcelona's famed Gothic Quarter, but of it, Kimpton Vividora Hotel effortlessly fuses a sense of contemporary luxury with the dynamic culture and artistic spirit of the neighbourhood.

At once a relaxing escape and vibrant hub for locals and travellers alike, our boutique hotel is a home away from home for those seeking to experience Barcelona as an insider.

Each of our 151 rooms and suites guest rooms are thoughtfully designed and efficiently planned.

Standout amenities include a rooftop pool and terrace with sweeping views of the city centre, a slate of in-house creative programming featuring local artists and musicians, and three distinct culinary spaces serving up authentic fare. Design details draw on the natural components of the old city—stone, water, and greenery—to bring the Barri Gòtic to life inside the hotel, and the common spaces and guest rooms evoke the stylish intimacy of an upscale Barcelona residence. The interplay of these elements makes for an enticing atmosphere and an unforgettable stay in the heart of the city.

Whatever adventures you discover in Barcelona, you'll return to a hotel that plays its dual role impeccably— that of a sophisticated urban retreat as well as a local mainstay creatively engaged with its vibrant surrounding community.

MEETINGS AND EVENTS

At Kimpton Vividora, we've eschewed dedicated event venues in favour of possibilities provided by the beautiful dining and lounge spaces beloved by our guests and neighbours. Whether you are hosting a corporate retreat, a birthday celebration or even a wedding, you'll find our venue offerings set the scene for unforgettable gatherings.

GOT

Casa de Vivi gives a warm welcome with GOT, located just behind the front door of the hotel. The space transforms as the day progresses: from the delicious breakfasts, coffees or vermouths overlooking the Carrer del Duc thanks to its large floor-to-ceiling windows, to the warm and sophisticated atmosphere of the classic and signature cocktails.

TERRAZA DE VIVI

If you think a refreshing cocktail is best paired with tempting small plates and expansive views of the old city, then you'll want to take the elevator up to

Terraza de Vivi, our rooftop bar and terrace.

Anchored by a sleek, design-forward bar, this airy outdoor space is accented with chic lighting pieces and shading elements as well as abundant local flora. Grab a table, a booth or simply sidle up to the bar and observe the scene around you while you sip, snack and socialize.

FAUNA RESTAURANT

Fauna is the dining room of Casa de Vivi. Evoking the warmth of a classic Barcelona bourgeois home, the restaurant evokes a setting for creative dining. Lively friends gather to enjoy modern versions of classic homemade dishes and exceptional Spanish wines. During the day, natural light floods the space, highlighting the beautiful Spanish tiles. At night, pleasant ambient light illuminates the open spaces and intimate nooks and crannies. Chef Jordi Delfa's philosophy emphasizes using local and seasonal ingredients, creating an authentic and delicious dining experience.
