Kimpton Vividora Barcelona has 151 rooms, including 10 suites. Inspired by Barcelona's elegant luxury apartments, all feature contemporary design with indigenous details and local artwork. The décor, devised by Kimpton's creative director, Ave Bradley, in collaboration with El Equipo Creativo and GCA, reflects a contemporary and luxurious ambiance, perfect for cosmopolitan profiles. The palette of warm, neutral tones, complemented by Mediterranean-inspired blue hues, captures the coastal essence. Rooms are highlighted by spacious and comfortable beds, locally designed furniture, custom bathroom elements and creative details that add character. Textures, such as natural woods and elegant marbles, along with graphic motifs and eye-catching tiles, create a 100% Barcelonian ambiance in every corner.
