# SUSTAINABLE DEVELOPMENT

At Pullman Timi Ama Sardegna, we imagine a Positive Hospitality. To better welcome the future. Some of our commitments:

- We train staff on eco-friendly behavior specific to their jobs
- We've instituted a staff committee on 'Health, Safety and Well-Being'
- We've implemented collective planning for work schedules

- By default, we reuse sheets for stays longer than one night
- We encourage guests to reuse sheets
- We use eco-certified cleaning products
- We offer ecological products
- We reduce the amount of paper used for printing
- We offer a charging station for electric cars
- We offer eco-friendly transport services

- We participate in the 'Plant for the Planet' programme
- We put fundraising operations in place

- We ban the use of overfished species
- We grow a vegetable garden
- We use food products from local suppliers and/or short supply chains
- We offer food products with third-party labels (organic, fair trade, etc.)
- We recycle food waste
- We offer vegetarian catering

- We measure and analyze water and energy consumptions on a monthly basis
- We water our gardens with regenerated water
- We use energy-efficient light bulbs
- We ensure that all waste water is processed
- We sort our hazardous waste and have it processed in appropriate waste streams
- We collect and reuse rain water
