More than 18 km of fine sandy beaches and crystal-clear waters, white houses and the stunning curtain walls of Dalt Vila, a World Heritage Site.

SEE FOR YOURSELF

SANTA EULALIA

Santa Eulalia del Río is the upcoming part of the east coast of the island and the 3rd largest town of Ibiza.

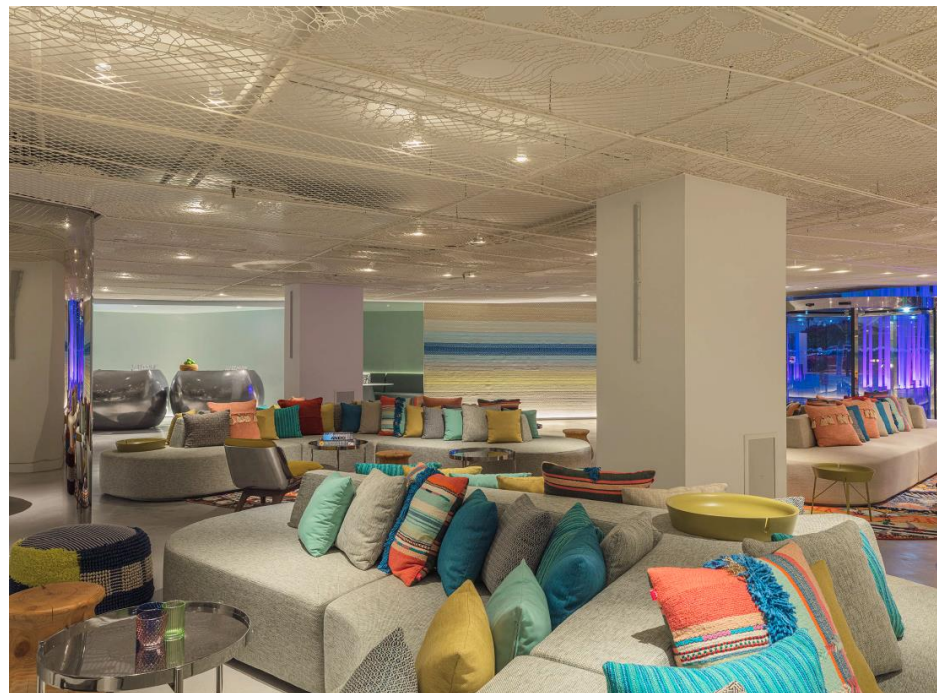

Santa Eulalia has a long-established reputation as the island's gastronomic and cultural center. Art Galleries, the beautiful and exclusive Yacht Marina with access to Formentera island, some of the island's best restaurants, fantastic shopping, and a thriving all-year community, ensure that life in Santa Eulalia is led at a rather slower and more relaxing pace.
