WHY POZNAŃ

Can you imagine a city with a colourful old market square, where two mechanical goats fight each other every day at noon since 1551?

Can you imagine a city where art, science and business exist in a perfect symbiosis?

Can you imagine a city where you can find a rowing lake, ski slope and thermal aquapark just next to each other?

Can you imagine a city where on St. Martin's Day its inhabitants eat over one million of traditional croissants?

You don't have to anymore. Meet Poznań!
