OUR ENVIRONMENTAL EFFORTS

WE SET ANNUAL GOALS TO REDUCE OUR FOOTPRINT:

- Reduce energy use by 3.0%
- Reduce water use by 3.0%
- Reduce landfill waste by 3.0%

ENERGY EFFICIENCY

We are committed to reducing our energy consumption and carbon emissions. Here are some examples of measures we have implemented:

- Building automation system upgrades
- Energy efficient lighting upgrades
- HVAC: Install variable frequency drives (VFDs) on pumps and fans

WATER CONSERVATION

Water is a finite resource, one that we are focused on conserving. Here are some examples of water efficiency measures we have implemented:

- Water Efficient Lavatory Faucets in guest rooms

WASTE REDUCTION

Waste negatively impacts our communities. Here are some examples of waste reduction measures we have implemented:

- Recycling of waste including Aluminum/metal cans, Cardboard and Food/organic waste
- Community donations program for Hard goods (furniture) and Opened bath amenities (including soap bars...)
- Cooking oil waste

OUR COMMUNITY ENGAGEMENT

- 33 Community engagement projects totaling 801 Team Member volunteer hours and \$19,777 in local impact
- 18 Donations totaling an estimated \$438,970 value

We support and invest in our community by contributing to local economy, developing a talented workforce and fostering local relationships that help ensure success. Here are some examples of how we engage in our community:

- Our hotel partners with a local community organization
- Our Team Members are trained on the issue of human trafficking
- Cantonian High School Visit volunteer project

CALCULATING YOUR FOOTPRINT

You can estimate the environmental footprint of your event with us by using our hotel's average footprint numbers below. Once your event has taken place, we can use LightStay's Meeting Calculator to provide you with the actual footprint information based on your event's final details.

- Carbon emissions per occupied guest room, per night: 14 kg CO₂
- Carbon emissions per square meter of meeting space, per hour: 2 kg CO₂
- Carbon emissions per full day of meals (breakfast, lunch, dinner), per person: 8 kg CO₂
- Water consumption per occupied guest room, per night: 350 liters
- Waste generated per occupied guest room, per night: 2 kg

JOIN OUR EFFORTS

Here are some examples of actions you can take during your meeting or event to join us in our efforts to Travel with Purpose:

- Rather than using plastic water bottles, provide attendees with their very own branded water bottle to refill at water stations in the meeting room
- Ask the hotel team to help you create a positive impact in the local community by donating any excess food from your event to a food rescue organization
- Encourage attendees to use the Hilton Honors app for digital check-in and e-check out to reduce the need for printing and paper
- Finally, ask our staff questions and give us your suggestions about improving the sustainability of your event!
