Eco contemporary hotel

The Starhotels E.c.ho. - Ecological Contemporary Hotel - is one of the first hotels in Milan created to respond to the needs of a cosmopolitan, ecologically-aware clientele. Each of the 143 rooms and suites combines the principles of eco-sustainability with the comfort of a 4-star hotel. The materials, furnishings and fabrics have been awarded environmental certifications, while the warm natural colours create a welcoming, relaxing atmosphere. At Starhotels E.c.ho., every detail has been designed to give guests a pleasant stay in a relaxed, efficient environment.

Starhotels Echo has obtained the **Green Globe** certification, is affiliated with **Beyond Green**, and won the **Hotel Excellence** award at the **European Hotel Design Awards**.

Certification of the sustainability performance of travel and tourism businesses

Global portfolio of eco-friendly hotels

The first city hotel in Europe affiliated Beyond Green

Starhotels E.c.ho. joins Beyond Green: a global and diverse portfolio of the world's most environmentally friendly hotels at the forefront of sustainable tourism. In keeping with Beyond Green's purpose of "Using travel as a force for good," our hotel serves as an example of an action-based sustainability model and is dedicated to creating a better and brighter future for people and the earth.

Behind Beyond Green there are three pillars of sustainable tourism:

1. Eco-sustainable practices
2. Preservation of the environment and cultural heritage
3. Social and economic well-being of the local population
