

SANDERSON
LONDON

SANDERSON, IN THE HEART OF
LONDON'S SOHO, OFFERS A
RETREAT FROM THE BUSTLE
OF THE CITY INTO A WORLD OF
FANTASY AND WELL-BEING.

PUBLIC SPACES

The landmarked 1950s building has been transformed by Philippe Starck into a surreal Cocteau-like dream world, epitomising a new luxury that is smart, pared-down and tempered with a healthy dose of wit and irony.

THE RESTAURANT AT SANDERSON

The Restaurant at Sanderson blends visionary design with exceptional menus in the incredible setting of our Courtyard Garden. Throughout the day, enjoy British classics or discover the daring Mad Hatters Afternoon Tea.

BARS

At some 80-feet in length, Sanderson's dramatic, glowing onyx Long Bar is the focal point for energy at Sanderson, the place to see and be seen. While for more intimate evenings, the chic Purple Bar has become one of London's hottest gathering places.

ROOMS & SUITES

This striking 150 hotel rooms imaginatively blur the line between baroque and modern, extravagance and simplicity. Reimagined by Tim Andreas of Banjo, the newly renovated rooms maintain the ingenious design touches and whimsical aesthetic of the original vision from Philippe Starck, with every detail embodying thoughtful luxury.

MEETINGS

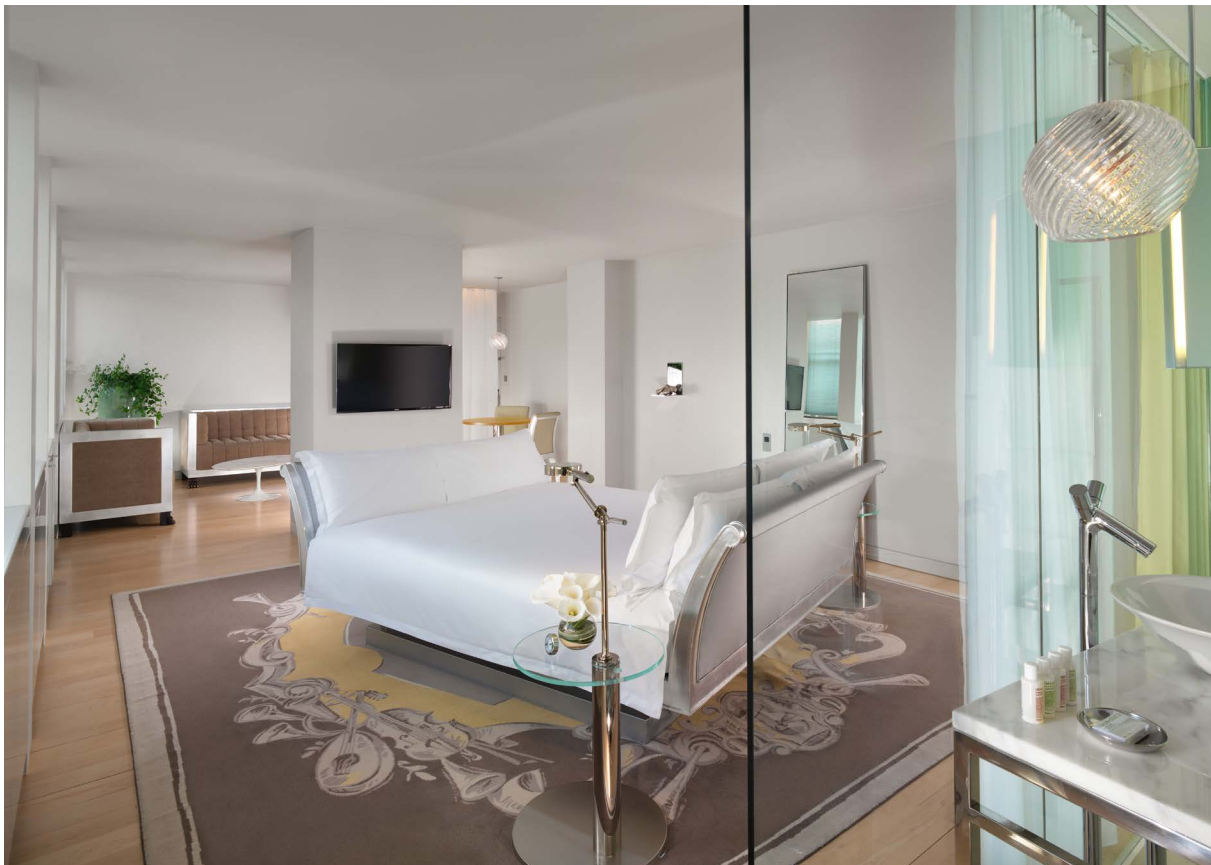

Sanderson's corporate events and meetings offering includes a wide array of different spaces which include audiovisual and telecommunications equipment, production, wardrobe, makeup and casting rooms, as well as private conference facilities.
