With an authentic atmosphere, exceptional works of art and the characteristic style of the 1950s, guests are guaranteed a voyage of discovery with lots of charming tales and anecdotes. It is a delightful place to spend the night and a great time away from every-day life. The ship's original cabins have been transformed into 254 state-of-the-art hotel rooms with three different themes.

You may book the most beautiful and affordable package on our website www.ssrotterdam.com

ORIGINAL

These rooms are dedicated to the ship's very first voyage back in 1959. The colours, designs and materials used for this theme clearly represent this period, authentically illustrating how the very first passengers experienced the ss Rotterdam.

BAHAMAS

The ss Rotterdam served as a luxurious cruise ship throughout its sailing existence, visiting many exotic places. Inside these rooms, our guests are invited to relive the ultimate cruising sensation of the many tropical journeys.

MANHATTAN

Back in the 1950s and 60s, the ss Rotterdam used to carry emigrants from the city of Rotterdam to Manhattan. These rooms never surrendered the stylish character of those years. The comfort and austere design promise to make your stay onboard even more special.

RESTAURANTS

Have a Club Sandwich or a carefully prepared four-course dinner in one of our restaurants. Indulge in a culinary voyage of discovery or spend some time on the best terrace in Rotterdam, beautifully overlooking the city's skyline.

LIDO

Here, at the former Café de la Paix, breakfast, lunch and dinner are served. At Lido you are guaranteed lots of pleasant activity, creating a dazzling atmosphere typical of the city of Rotterdam. Also, Lido has a magnificent terrace on the outer deck. In fact, it is the best terrace of Rotterdam. Unwind in a deck chair and let the city's skyline be your source of inspiration. Submerge your feet into the refreshing water of the splash pool.

The best terrace of Rotterdam

CLUB ROOM

The Club Room was lovingly referred to as the 'parlour' of the ship. Today it is the place par excellence for a fancy dinner. Let our top chefs prepare you some culinary delights. In the meantime, you may enjoy the grandeur around you, and watch the original masterpieces on the walls.

BARS

Enjoy your time, and drift off over a classic cocktail or a cup of coffee with a twist. The Ocean Bar and the Captains Lounge are perfect if unwinding is what you have in mind.

OCEAN BAR

The authentic wave-shaped bar, its roof covered in gigantic fish scales, has surrendered nothing of its spectacular character. A tribute to the cruising years. Enjoy your cocktail, wine or brandy.

CAPTAINS LOUNGE

CAPTAINS LOUNGE

Across the hotel reception desk you will find the intimate Captains Lounge where, after a guided tour for instance, you are more than welcome to enjoy a cup of coffee. It is also perfectly suitable for business meetings and informal get-togethers. To try out something different, find out about our High Wine and Low Beer packages.

Perfect for High Tea, High Wine and Low Beer.

GUIDED TOURS

Whoever is curious to find out about the ss Rotterdam is very welcome to walk in. However, a guided tour is highly recommended if you want to visit the special places of this historical ship. Explore all the authentic elements and listen to the charming stories and anecdotes, brought to you by our Ship hosts.

Watch the short video at the Experience Centre. Travel from Rotterdam all the way to New York in just a few minutes.

ROTTERDAM COMPLETE TOUR

Find out all there is to know about the ship's glorious cruising years. Watch the monumental bow, the heavy windlasses and climb up the towering bridge. Follow the narrow steps to the engine room. Marvel at the impressive manoeuvring board, covered with handles and switches.

SEA BREEZE DELUXE TOUR

The upper decks invite you to a journey to the past. Get a breath of fresh air on the monumental bow and climb the narrow steps to the Bridge Deck which is home to the chartroom, the radio room and the original captain's cabin. It is a journey to remember. Kids can have their own Captain's passport and certificate.

STEAM & CHROME TOUR

This guided tour will take you to the ship's lower decks. For forty years, an ingenious system of evaporators, boilers, turbines and generators inside the gigantic engine room made sure steam, power and HP were available onboard at all times. Today the engine rooms are technically inoperative, yet they still make an impressive sight.

GROUP TOUR

Groups wanting to visit the ss Rotterdam are offered tailored tours and a guide to show your guests around, sharing lots of interesting details and charming anecdotes.
