

159 HOTEL ROOMS  
1 BAR  
1 RESTAURANT  
7 MEETING ROOMS

We offer 7 multifunctional rooms for your meetings, trainings and gatherings. Our location is fully adapted to the guidelines of the RIVM with due observance of the 1.5m distance and hygiene regulations. In the overview below, the numbers have been adjusted to the new standards for meetings. The centrally controlled ventilation system in the halls and hotel rooms ensures a fresh and healthy indoor climate through the mechanical removal of dirty indoor air and the natural supply of fresh outdoor air.

At Mercure Den Haag Central you can also enjoy a delicious lunch, drink and dinner. Our kitchen team pays a lot of attention to sustainable and responsible food and drinks. It goes without saying that we take diet and other special wishes into account.
